

## **Service Order**

Please repair the play side(s) of the enclosed discs at the rate of \$3.50 for each single-sided disc and \$6.50 for each double-sided disc. I understand there are some types of damage that cannot be repaired, (such as cracks and scratches that have damaged the encoded layer(s) of the disc). I further understand that Fresh Spin technicians may determine a disc's structural integrity to be poor, (as in a cracked or warped disc), and return these discs, (along with a voucher for a future disc repair), without attempting a repair.
